INVITATION

FAGIE COLONOSCOPY 2026

20th - 22th November 2026 • Hosur

Dear Delegates and Friends,

Gunam Super Speciality Hospital, Hosur in association with Indian Association of Gastrointestinal Endo-Surgeons (IAGES) cordially invites you to FAGIE COLONOSCOPY 2026.

The programme brings together experienced faculty and surgeons on a common platform to share knowledge, techniques, tips and tricks, and practical approaches to challenging colonoscopy cases.

Participants will have the opportunity to engage in expert-led lectures, interactive discussions, hands-on simulation, live demonstrations and real-time learning, with a special emphasis on diagnostic and therapeutic colonoscopy.

We warmly invite surgeons, surgical postgraduates and interested delegates to be part of this enriching academic programme and benefit from the experience of renowned experts in the field.

We look forward to welcoming you to Hosur for an intellectually stimulating, interactive and memorable learning experience.

With warm regards,

Organising Team
IAGES - FAGIE Colonoscopy 2026
Gunam Super Speciality Hospital, Hosur

Message from the President

Dear Delegates and friends,

It gives me immense pleasure to extend my warm greetings and best wishes to all Participants of FAGIE Colonoscopy 2026, being conducted at Gunam Super Speciality Hospital, Hosur.

FAGIE is an important academic initiative of IAGES, providing a valuable platform for surgeons to enhance their knowledge and skills in colonoscopy. I am confident that this programme will facilitate meaningful academic exchange, encourage interaction among colleagues, and contribute to excellence.

I congratulate the organising team for their efforts in bringing together this academic programme and wish the event every success.

Dr. K. Govindaraj
President, IAGES

Message from the Secretary

Dear Delegates and Friends,

It is with great pleasure that I extend my best wishes for the successful conduct of FAGIE Colonoscopy 2026, being conducted at Gunam Super Speciality Hospital, Hosur.

FAGIE has evolved into a prestigious academic platform, fostering excellence in colonoscopy by knowledge sharing, hands-on learning, and professional interaction. The programme provides an excellent opportunity for surgeons to learn from experienced faculty.

I sincerely appreciate the efforts of the organising team in bringing together this academic endeavour. I am confident that FAGIE Colonoscopy 2026 will be an intellectually stimulating and rewarding experience for all delegates.

Wishing the organisers and participants a highly successful and memorable programme.

Dr. Ashwin Thangavelu
Hon. Secretary, IAGES

Message from the Treasurer

Dear friends,

I am delighted to extend my heartfelt greetings and best wishes to all Participants of FAGIE Colonoscopy 2026, being conducted at Gunam Super Speciality Hospital, Hosur.

Colonoscopy continues to evolve with advances in technology, techniques, and clinical decision-making. Academic programmes such as this provide an excellent opportunity for professionals to exchange knowledge, share experiences, and enhance their practical skills.

I commend the organising team for their initiative and dedication in conducting this academic programme. I am confident that the scientific sessions, live demonstrations, and interaction with experts will provide an enriching experience for all participants.

Wishing FAGIE Colonoscopy 2026 great success and a memorable academic journey for everyone involved.

FAGIE COLONOSCOPY – ELIGIBILITY CRITERIA

General Eligibility

- * IAGES membership is mandatory.
- * Those who are not members may apply for IAGES membership online. Please visit the IAGES website for further details. www.iages.in
- * Members of collaborating associations that have signed an MOU with IAGES are also eligible. Their applications must be endorsed by the respective collaborating association prior to joining the course.

1. Non-Examination Category

- * Surgeons who have been practising Colonoscopy for 10 years or more, with adequate experience in Colonoscopy Procedure, are eligible for the Non-Examination Category.
- * Candidates must have performed more than 100 Colonoscopy Procedures and must submit a logbook to substantiate their experience.
- * All candidates will be interviewed by the IAGES Board for final assessment before the fellowship is awarded.

2. Examination Category

- * MS/DNB in General Surgery
- * Applicants must have performed more than 25 colonoscopy procedures, either jointly or independently.

Assessment of FAGIE Fellowship Candidates-Examination Category

• Written Examination

- * The written examination will be conducted online.
- * Candidates are expected to have adequate knowledge of all important aspects of colonoscopy.
- * The examination will consist of 100 MCQs (single-best-response type).
- * Duration: 60 minutes
- * Maximum Marks: 100

• Practical Examination / Interview

- * Each candidate will undergo an interview/assessment of approximately 10 minutes.
- * Candidates will be divided into batches and assessed by two or more senior-most IAGES faculty members, depending on the number of candidates.
- * Maximum Marks: 50

Results and Award of Fellowship

- * The results of the written and practical assessments will be prepared by the Honorary Secretary's Office in coordination with the FIAGE Board.
- * The results will be published on the IAGES website.
- * Successful candidates are expected to attend the subsequent Annual Conference and Convocation to receive their Fellowship Certificate.
- * If a successful candidate is unable to attend two consecutive Annual Congresses/Convocations, the Fellowship Certificate will be sent to the candidate.

Logbook

The logbook should include the following details:

Age / Sex / Role / Post procedure Course / Complication / Remarks

- * Role: Assisted / Under Supervision / Independent
- * Post Procedure Course: Uneventful / Eventful
- * Complications: Specify any complications or enter None
- * Remarks: Enter the outcome, where applicable—for example, conservatively managed, recovered, deceased, transferred, etc.

FAGIE COLONOSCOPY

Lecture Modules

1. HD Colonoscopy, Room setup and checklists
2. Indications, cautions, bowel preparation and consent for colonoscopy
3. Colonoscopy: step by step
4. Colonoscopic pathology
5. Key aspects of Energy sources, CO₂ Insufflator and Irrigation device
6. Overview of therapeutic colonoscopy
7. Role of colonoscopy in the management of polyps
8. Difficult colonoscopy: Tips and tricks
9. Complications of colonoscopy: Panel discussion
10. Recent advances in colonoscopy

Group discussions: 30 min each

- Know your colonoscope and Accessories
- Meet the expert: Q & A Session

Hands-on Simulation module

- Easie animal model
- Simbionix virtual simulator
- St Mark's colonoscopy mechanical simulator

Live Modules (subject to availability of cases)

- Diagnostic colonoscopy cases
- Snare polypectomy
- EMR for rectosigmoid polyps
- APC
- Left colonic tumour stenting
